Dear Ms. Cory:

You ask that we reconsider our decision in Open Records Letter No. 98-1094 (1998). Your request for reconsideration was assigned ID# 117070.

Open Records Letter No. 98-1094 (1998) determined that the Texas Workers' Compensation Commission (the "Commission") could not withhold from disclosure the Commission's Administrative Violation Referral Guide (the "Guide") based on either section 552.108 or 552.111 of the Government Code. You now raise new arguments under both of these exceptions in regard to the Guide's list of priority violations.

A governmental body must explain the reasons why the stated exceptions apply within fifteen days of receiving the request. *See* Gov't Code § 552.301. We, therefore, affirm Open Records Letter No. 98-1094 (1998).

If you have questions about this ruling, please contact our office.

Yours very truly,
